

2nd International Forum on HIV and Rehabilitation Research
Advancing International Partnerships to Address Key Research Priorities in HIV and Rehabilitation

Saturday October 11th, 2014

Gleeson Lecture Theatre – Chelsea and Westminster Hospital

Goal of the Forum: To facilitate knowledge transfer and exchange on HIV and rehabilitation research, clinical practice and service delivery, among people living with HIV, researchers, clinicians on HIV, representatives of community organizations, and policy makers in Canada, UK and Ireland; and to foster new research and clinical partnerships in HIV and rehabilitation internationally.

Focusing on Three Priority Areas in HIV and Rehabilitation Research	
Time	Topic
