

AGEING WITH HIV IN AN UNCERTAIN WORLD

5TH INTERNATIONAL FORUM ON HIV AND REHABILITATION RESEARCH

FORUM FILMING

Patriic Gayle & Luke Orrin: Gay Men's Health Collective, Three Flying Piglets, CIHRRC

The Forum is filmed in-kind by the Gay Men's Health Collective (GMHC) for CIHRRC into short web based films available on the KTE library on the CIHRRC website <https://cihrrc.ca/forums/>

Three Flying Piglets is part of the GMHC making viral ads and short films on gay men's health issues, with a focus on HIV and HCV.

Physical Therapy

UNIVERSITY OF TORONTO

Dr. Francisco
Ibáñez-
Carrasco
Dalla Lana
School of
Public Health

**Dalla
Lana**

School of
Public Health

GOALS

- To facilitate **knowledge transfer and exchange (KTE)** in the field of HIV, ageing and rehabilitation research, clinical practice and service delivery, among people living with HIV, researchers, clinicians on HIV, and representatives of community organizations internationally;
- To establish new research and clinical **partnerships** in HIV and ageing internationally in the fields of rehabilitation;
- To foster **mentorship and training** in HIV and ageing research;
- To identify new and emerging **research priorities** in rehabilitation interventions for people ageing with HIV.
